Appendix 2 - RESEARCH PRE-PROPOSAL COVER SHEET

Applicant's Name: : Applying for: ( ) Master ( )Doctorate
Advisor: :
Research Pre-Proposal Title: :

Use this space to provide the abstract of your research project. It may be written as continuous text or structured in one paragraph for each item.
Maximum length: one page, including the evaluation matrix below. Font: Times New Roman, size 10, single spacing.
The abstract must not exceed the one-page limit, ensuring that the oral evaluation matrix displayed below remains on the first page.

The following items are mandatory for the abstract. Additional items may be included: general objective, hypothesis, research site(s), sample profile, logistics for sample access, budget and funding source(s), timeline, and final product.

Evaluation Matrix – Items assessed during the Oral Examination on the Research Plan (10 points) of the applicant:

	This space is reserved for the evaluation committee – only the faculty members participating in the oral examination may complete it.	YES	NO
1	Demonstrates clear understanding of the general research objective and presents a well-founded research hypothesis.		
2	Has a clearly defined location for the execution of the project.		
3	Demonstrates knowledge of the sample profile and presents a clear strategy for sample access.		
4	Demonstrates knowledge of the project budget and the necessary funding source(s).		
5	Presents a detailed timeline and has defined a final product aligned with the project's objectives and expectations.
